RFP DBEA 2024-09

Section 1 – Overview and Schedule

A. Executive Summary

The Department of Business and Economic Affairs, Office of Workforce Opportunity (BEA/OWO) is soliciting Request for Proposals (RFP) on behalf of the State Workforce Innovation Board (SWIB) to identify and select qualified subrecipients to serve as New Hampshire WIOA Title I Youth service providers. We are seeking applicants who are willing to bring new ideas, resources, approaches, and partnerships to the workforce system.

The resulting contract(s) shall be effective July 1, 2024, and extend until June 30, 2027. OWO anticipates the awarding of multiple subrecipients/programs/locations to provide services to both In-School Youth (ISY) and Out-of-School Youth (OSY) eligible individuals throughout the State of New Hampshire. The award of the contract is contingent on approval by Governor and Executive Council.

The proposed services will be 100% funded under the Workforce Innovation and Opportunity Act (WIOA) of 2014, P.L. 113-128, from an award from the U.S. Department of Labor (USDOL) Employment and Training Administration (ETA) CFDA# 17.259. For planning purposes, proposers should estimate WIOA Youth funding of **\$1,600,000**. Please keep in mind that at least 75% of funds must be spent directly on OSY programs, with no more than 25% spent directly on ISY programs. This estimate is provided solely for guidance to bidders in preparing a budget and cost proposal. The actual award amount is contingent upon available federal funds at the time of contract negotiations.

Note: This amount is provided as a planning figure only and does not commit BEA/OWO to award a contract for this amount. The Proposer is responsible for proposing a reasonable total cost for delivery of services described in this RFP. Funding during the contract period may be adjusted due to changes in WIOA funding received.

State Workforce Innovation Board (SWIB)

The State Workforce Innovation Board (SWIB) in New Hampshire operates as a single service delivery area, and as such has one state level board i.e., no local workforce boards. Consistent with WIOA requirements, the SWIB is composed of business leaders from throughout the state, representatives of organized labor, and state agency leaders. Private sector leaders constitute a majority of the membership. The mission of the SWIB is to promote life-long learning by collaborating with businesses, agencies, and organizations to bring the state's education, employment, and training programs together into a workforce development system that provides the means for residents of New Hampshire to gain sufficient skills, education, employment and financial independence. To learn more about the SWIB visit <https://www.nheconomy.com/office-of-workforce-opportunity/about-us/state-workforce-innovation-board>.

One-Stop Operator Consortium (Consortium)

The NH Works One-Stop Operator Consortium (Consortium) serves as the One-Stop Operator in New Hampshire. The purpose of the Consortium is to oversee the implementation of system-wide workforce development strategies and goals at the service delivery level consistent with the vision and goals set forth by the SWIB. The Consortium is the primary committee charged with designing and implementing continuous improvement tools and processes for the One-Stop service delivery system. The Commissioner of NH Employment Security serves as the Chair of the Consortium. Consortium membership is comprised of State Director and/or other executive level staff from the core state workforce development system partners (i.e., NH Employment Security (NHES), NH Department of Education (DOE), Community College System of NH (CCSNH), NH Business and Economic Affairs (BEA), and NH Department of Health and Human Services (DHHS)). For more information on the NH Works One-Stop service delivery system, please see the WIOA Combined State Plan at <https://www.nheconomy.com/office-of-workforce-opportunity/about-us/state-plan>.

NH Works (One-Stop Delivery System- American Job Centers)

The cornerstone of the workforce innovation system is the one-stop service delivery system designed to serve the needs of dual customers: the job seeker and the employer. This delivery system is the mechanism through which programs are integrated. In New Hampshire, this One-Stop System, known as NH Works, also carries the federal tagline “an American Job Center”. The NH Works service delivery system model is a commonsense approach to helping people find the right job, training or educational programs at a single location. Job seekers are placed in new jobs, get specific skills training, and/or access training programs. The NH Works Centers also provide a central location for businesses to get help hiring employees, find qualified workers and/or post job listings. New Hampshire has twelve NH Works Centers located throughout the state.

Entities funded through WIOA shall be a partner in the NH Works service delivery system. The system, designed to operate as a network of partners, works to enhance education, training and employment opportunity for specific populations under the guidance of the One-Stop Operator Consortium. All providers funded completely or in part with WIOA, shall work in conjunction with partner agencies to provide a holistic approach to customer service.

Historically, Title I Youth Services have not been housed within the NH Works Centers. Any subrecipients that are chosen to provide services under this RFP will be responsible for providing Title I Youth services to any eligible individual even if the subrecipient does not have a physical location in the area. The selected sub-recipients are responsible for determining their working relationship with the NH Works Centers and should describe that in their proposal.

As stated above, the SWIB is committed to ensuring that the State’s One-Stop service delivery system of NH Works American Job Centers are recognized as such by all who enter the system. As a condition of this RFP, subrecipients of WIOA funds (i.e., service providers) must agree to the following stipulations:

- All services, staff, and promotional materials funded under the agreement shall identify using NH Works branding. The Service Provider may use their agency/company name and/or logo, but only as a secondary identifier.
- BEA, or its designee, reserves the right to approve all staff signatory taglines for email and promotional materials prior to implementation to ensure consistency of message.
- Job titles assigned to staff hired under this agreement shall not contain descriptive words such as WIOA Administrator or WIOA Director; these designations are reserved to identify state level staff, only.

In addition to the requirements and expectations detailed in this RFP, all services proposed by the proposer must support the goals of the NH Works system, which includes the following:

- *Universal*: Resulting in efficient and timely access to a wide variety of employment-related services to individuals seeking work.
- *Integration*: Creates a seamless, functional coordination of services through collaborative development of the system's vision, goals, service strategies, resource allocation and team-based system management.
- *Customer choice*: Allows the customer to navigate his/her employment path.
- *Accountability*: Results in a performance-driven, outcome-based system that uses data collection, customer feedback and other tools to access program success.
- *Consistency of Branding*: The WIOA Youth service provider is providing services on behalf of NH Works and shall identify as NH Works in all verbal and written communications.

See the WIOA Combined State Plan for more information on the NH Works One-Stop service delivery system at <https://www.nheconomy.com/office-of-workforce-opportunity>.

- Omit any planned evaluation step if, in the Agency's view, the step is not needed;
- At its sole discretion, reject any and all Proposals at any time; and
- Open contract discussions with the second highest scoring Proposer and so on, if the Agency is unable to reach an agreement on Contract terms with the higher scoring Proposer(s).

SECTION 7 – Terms and Conditions Related to the RFP Process

A. RFP Addendum

The Agency reserves the right to amend this RFP at its discretion, prior to the Proposal submission deadline. In the event of an addendum to this RFP, the Agency, at its sole discretion, may extend the Proposal submission deadline, as it deems appropriate.

B. Non-Collusion

The Proposer's signature on a Proposal submitted in response to this RFP guarantees that the prices, terms and conditions, and work quoted have been established without collusion with other Proposers and without effort to preclude the Agency from obtaining the best possible competitive Proposal.

C. Property of the Agency

All material received in response to this RFP shall become the property of the State and will not be returned to the proposer. Upon Contract award, the State reserves the right to use any information presented in any Proposal.

Additionally, the funds authorized via this RFP are 100% Federal funds, therefore upon contract award, the Federal Government reserves a paid-up, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use for federal purposes: i) the copyright in all products developed under the grant, including a subgrant or contract under the grant or subgrant; and ii) any rights of copyright to which the recipient, subrecipient or a contractor purchases ownership under an award (including but not limited to curricula, training models, technical assistance products, and any related materials). Such uses include, but are not limited to, the right to modify and distribute such products worldwide by any means, electronically or otherwise. Federal funds may not be used to pay any royalty or license fee for use of a copyrighted work, or the cost of acquiring by purchase a copyright in a work, where the Department has a license or rights of free use in such work, although they may be used to pay costs for obtaining a copy which is limited to the developer/seller costs of copying and shipping. If revenues are generated by selling products developed with grant funds, including intellectual property, these revenues are considered as program income. Therefore, program income must be used in accordance with the provisions of this grant award and 2 CFR 200.307.

If applicable, the following needs to be on all products developed in whole or in part with grant funds:

“This workforce product was funded by a grant awarded by the U.S. Department of Labor’s Employment and Training Administration. The product was created by the recipient and does not necessarily reflect the official position of the U.S. Department of Labor. The Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. This product is copyrighted by the institution that created it.”

D. Confidentiality of a Proposal

Unless necessary for the approval of a contract, the substance of a proposal must remain confidential until the Effective Date of any Contract resulting from this RFP. A Proposer's disclosure or distribution of Proposals other than to the Agency will be grounds for disqualification.

E. Public Disclosure

Pursuant to RSA 21-G:37, all information shall remain confidential until the grant contract is approved by the Governor and Executive Council, or, if the grant contract does not require approval from the Governor and Executive Council, until the effective date of the grant contract signed by the Agency.

The content of each Proposer's Proposal shall become public information upon the award of any resulting Contract. Any information submitted as part of a response to this request for proposal (RFP) may be subject to public disclosure under RSA 91-A. In addition, in accordance with RSA 9-F:1, any contract entered into as a result of this RFP will be made accessible to the public online via the website Transparent NH (<http://www.nh.gov/transparentnh/>). However, business financial information and proprietary information such as trade secrets, business and financials models and forecasts, and proprietary formulas may be exempt from public disclosure under RSA 91-A:5, IV. If you believe any information being submitted in response to this request for proposal, bid or information should be kept confidential as financial or proprietary information; you must specifically identify that information in a letter to the agency, and must mark/stamp each page of the materials that you claim must be exempt from disclosure as "CONFIDENTIAL". A designation by the Proposer of information it believes exempt does not have the effect of making such information exempt. The Agency will determine the information it believes is properly exempted from disclosure. Marking of the entire Proposal or entire sections of the Proposal (e.g., pricing) as confidential will neither be accepted nor honored. Notwithstanding any provision of this RFP to the contrary, Proposer pricing will be subject to disclosure upon approval of the contract. The Agency will endeavor to maintain the confidentiality of portions of the Proposal that are clearly and properly marked confidential.

If a request is made to the Agency to view portions of a Proposal that the Proposer has properly and clearly marked confidential, the Agency will notify the Proposer of the request and of the date the Agency plans to release the records. By submitting a Proposal, Proposers agree that unless the Proposer obtains a court order, at its sole expense, enjoining the release of the requested information, the Agency may release the requested information on the date specified in the Agency's notice without any liability to the Proposers.

F. Non-Commitment

Notwithstanding any other provision of this RFP, this RFP does not commit the Agency to award a Contract. The Agency reserves the right, at its sole discretion, to reject any and all Proposals, or any portions thereof, at any time; to cancel this RFP; and to solicit new Proposals under a new acquisition process.

G. Proposal Preparation Cost

By submitting a Proposal, a Proposer agrees that in no event shall the Agency be either responsible for or held liable for any costs incurred by a Proposer in the preparation of or in connection with the Proposal, or for Work performed prior to the Effective Date of a resulting Contract.

H. Ethical Requirements

From the time this RFP is published until a contract is awarded, no bidder shall offer or give, directly or indirectly, any gift, expense reimbursement, or honorarium, as defined by RSA 15-B, to any elected official, public official, public employee, constitutional official, or family member of any such official or employee who will or has selected, evaluated, or awarded an RFP, or similar submission. Any bidder that violates RSA 21-G:38 shall be subject to prosecution for an offense under RSA 640:2. B. Award

If the State decides to award a contract as a result of this RFP process, any award is contingent upon approval of the Contract by Governor and Executive Council of the State of New Hampshire and upon continued appropriation of funding and availability of Federal funds for the contract.

C. Standard Contract Terms

The Agency will require the successful bidder to execute a grant agreement using the Standard Terms and Conditions of the State of New Hampshire which is attached as Attachment A.

To the extent that a Proposer believes that exceptions to the standard form contract will be necessary for the Proposer to enter into the Agreement, the Proposer should note those issues during the Proposer Inquiry Period. The Agency will review requested exceptions and accept, reject or note that it is open to negotiation of the proposed exception at its sole discretion. If the Agency accepts a Proposer's exception the Agency will, at the conclusion of the inquiry period, provide notice to all potential proposers of the exceptions which have been accepted and indicate that exception is available to all potential proposers.

Any exceptions to the standard form contract that are not raised during the proposer inquiry period are waived. In no event is a Proposer to submit its own standard contract terms and conditions as a replacement for the State's terms in response to this solicitation.

In addition to the 14 Program Elements, the successful contractor's role will be to provide the following youth program framework:

A. Intake: An Orientation process must be provided to each potential eligible youth participant. Orientation must include information on the services that are available within the WIOA Title I youth program and the One-Stop Service Delivery system in the state. These services may include, but are not limited to:

- 1) Orientation/Introduction of the program purpose
- 2) All program services and resources available
- 3) Responsibilities of other service providers
- 4) Program participant's responsibility
- 5) Information on follow-up services
- 6) Information on support services
- 7) Referral to other appropriate services

The Intake involves registration, eligibility determination, and collection of documentation to support verification of eligibility for services. Other services also include referral for basic skills development and referral to other services as appropriate.

B. Assessments: Assessment is a process that identifies service needs. An objective assessment must be administered to all eligible youth. The WIOA youth program design requires an objective assessment of academic levels, goals, interests, skills levels, abilities, aptitudes, and supportive service needs; it also measures barriers and strengths. Assessment results are used to develop the Individual Service Strategy (ISS).

C. Individual Service Strategy (ISS): The Individual Service Strategy is the plan that identifies the employment goals, educational objectives, and appropriate services for the participants. Development and update as necessary of an ISS is required for each participant. An ISS must be directly linked to one or more of the indicators of performance and identifies a career pathway that includes education and employment goals. Goals and objectives must be specific measurable, achievable, relevant, and timely and align to the interest and career pathway identified in the objective assessment.

D. Career Coaching: Case management should be a process that typically includes noninstructional activities such as navigation to and arrangements for academic, career or personal counseling, financial aid, childcare, housing, and other financial assistance that can be critical to the success and continued engagement of the individual in pursuing their career pathway component. Youth programs must provide case management services to assist a youth participant in making informed choices and completing the program. Support may be provided on an individual or group basis. Career Coaching principles and methods must be incorporated throughout the program design. A case manager must be assigned to follow the process of each youth participant from enrollment to program exit, including follow-up services.

Case management is the structure for delivering effective services that facilitate positive development of the youth and the achievement of their goals. Case management extends from recruitment/enrollment through follow-up services. The case manager supports and motivates participants and coordinates services and information to prepare youth for post-secondary education opportunities, academic and

occupational training, or employment and training opportunities, as appropriate. Subrecipients are encouraged to incorporate trauma informed approaches, behavioral health training, implicit bias training, and racially equitable practices into their case management models.

E. Supportive Services: Youth programs must provide supportive services to eligible youth participants that are necessary to enable an individual to participate in youth activities authorized under Title I of WIOA.

F. Follow-Up Services: Follow-up services are critical services provided, for no less than 12 months, following a youth participant's exit from the program. Those services help ensure the youth is successful in employment and/or post-secondary education and training beyond their program completion. The youth service provider must establish and implement procedures to ensure that follow-up services are conducted and documented. Follow-up services include regular meaningful contact and may include allowable follow-up activities:

- 1) Supportive Services
- 2) Adult Mentoring
- 3) Financial Literacy Education
- 4) Services that provide Labor Market Information
- 5) Activities that help youth prepare for and transition to postsecondary education and training.

Performance Requirements

A. Performance Measures:

The minimum participant cost rate (MPCR) is a State identified performance accountability measure pursuant to WIOA, Section 116(b)(2)(B). The MPCR serves as a benchmark for participant expenditures to focus Federal resources more effectively on serving individuals, ultimately impacting performance and outcomes while emphasizing financial integrity of taxpayer dollars in partnership with our workforce system stakeholders.

A minimum of 75% of the youth funding must be spent on Out-of-School Youth. Work Experience must account for at least 20% of the total youth funding, including In-School and Out-of-School.

B. Primary Indicators of Performance:

Section 116(b)(2)(A) of the Workforce Innovation and Opportunity Act (WIOA) establishes performance accountability indicators and performance reporting requirements to assess the effectiveness of States and local areas in achieving positive outcomes for individuals served by each of the six core WIOA programs as follows:

- 1) Employment Rate – Second Quarter After Exit
- 2) Employment Rate – Fourth Quarter After Exit
- 3) Median Earnings – Second Quarter After Exit
- 4) Credential Attainment
- 5) Measurable Skills Gains
- 6) Effectiveness in Serving Employers

BEA/OWO shall negotiate and reach agreement on state levels of performance based on the State adjusted levels of performance established under WIOA subsection (b)(3)(A). The contract that results from this RFP will require the contractor to follow and remain in good standing with BEA/OWO policies. Failure to remain in good standing may result in termination of the contract. All renewal(s) or extension(s) of the resulting contract will be subject to this standing as well as overall performance measures.

C. Key Indicators of Performance:

Key Performance Indicators (KPIs) provide a way of measuring the effectiveness of an organization in achieving its goals. KPIs are set by the State and may address, Federal, State or Local priorities. KPIs were developed to increase the impact of the public workforce system, primarily through increased enrollment.

APPENDIX H – Conflict of Interest Form

By submitting a proposal, the authorized signatory authority of the bidding entity certifies to his/her knowledge and belief that there is no conflict of interest (real or apparent) inherent in the bid or in delivering the scope of work if BEA/OWO awards a contract. A conflict of interest would arise if any individual involved in the preparation of this proposal and delivery of services has a financial or other interest or would be likely to gain financially or personally from the award of a contract. The same would hold true for any member of the individual's family, partner, or an organization employing or about to employ any of the above as a direct result of the successful award of a contract under the RFP. BEA/OWO reserves the right to disqualify a bidding entity should a conflict of interest be discovered during the solicitation process.

The proposer further certifies that the organization will maintain a written code of standards or conduct governing the administration of WIOA funds. Any organization that has been selected, or otherwise designated to perform more than one function related to any WIOA program (Titles I, II, III, IV or V) and/or similar federally funded workforce program must develop a written plan. The plan must clarify how the organization will carry out its multiple responsibilities while demonstrating compliance with WIOA, corresponding regulations, relevant Office of Management and Budget circulars, and conflict of interest policy. This plan must limit conflict of interest or the appearance of conflict of interest, minimize fiscal risk, certify that WIOA funded staff will not be assigned to work outside of WIOA deliverables as defined under contract, and demonstrate that there are appropriate firewalls within that single entity performing multiple functions.
